

INSURANCE QUESTIONNAIRE

FAMILY BEGINNINGS, PC JAMES G. DONAHUE, MD

The following questions are designed to familiarize you with the details regarding your insurance coverage. It is important to KNOW YOUR POLICY. At times it may be confusing as to covered services because some insurance companies cover diagnosis and treatment and others only diagnostic procedures. Some cover no services related to infertility. We encourage our patients to call their insurance plan and ask the following questions. We will call as well, but this will help you personally understand your benefits.

1. Type of policy; _____ Commercial, _____ HMO, _____ PPO?
